Procedures for utilizing the Promotion Registration

- The last day a sale of an eligible outboard for Consumer Benefit will be considered for this promotion is **June 30, 2019**.
- All eligible outboards warranty registered will be considered for promotion eligibility as soon as your dealer number is listed in YMBS as an authorized participating dealer that has completed one of the Yamaha Outboards “Spring Savings” Sales Event Promotion Dealer Participation Agreement options defined on page 7 of this manual.
- To register an outboard for this promotion, dealer must access the YMBS and enter the Warranty Registration section for New Yamaha Outboards.
- Upon entering the Warranty Registration section, dealer will be asked to enter the outboard Primary Identification Number. The system will then ask you to confirm agreement to the Pre-Delivery Inspection (PDI) notice. Next, **the system will automatically verify if your dealer number has been authorized to participate in this promotion. No Exceptions.**
- If your dealer number IS LISTED in the system as a participating dealer, the system will automatically skip to the next step of registration. If your dealer number is NOT LISTED on the authorized dealer list for this promotion, **then access to the promotion registration section will be denied** to your dealership until you have completed one of the Yamaha Outboards “Spring Savings” Sales Event Dealer Participation Agreement options defined on page 7 of this manual.
- Next, the system will define the Consumer Benefit available including the retail value of the Consumer Benefit along with the required dealer portion of the promotion benefits cost. You will be required to confirm if your decision is to decline offering a Consumer Benefit for this specific outboard.
- Next, the system will ask you to verify that a dealer principal has reviewed and approved to submit this eligible outboard for this Promotion and agreed to all promotion terms, conditions and procedures as identified on the Yamaha Outboards “Spring Savings” Sales Event Promotion Instruction Manual and Participation Agreement. **If you answer NO** to the question “has a dealer principal reviewed and approved to submit this eligible outboard for this promotion,” **then the system will inform you that this promotion registration request has been denied** based on dealer decline of promotion terms, conditions and procedures. **If you answer YES**, the system will then continue with the warranty registration process.
- **If the eligible outboard qualifies for a Promotion Consumer Credit Benefit and the dealer has requested the Promotion Credit Benefit to be issued**, Yamaha will issue a credit for Yamaha’s portion of the Promotion Consumer Credit Benefit as defined on the appropriate Promotion Benefit Chart listed on page 5, to the dealer’s parts account, upon final verification that the outboard registered has met all promotion terms, conditions and procedures.
- **If the eligible outboard qualifies for a Promotion Consumer Y.E.S. Benefit and the dealer has requested the Promotion Y.E.S. Benefit to be issued**, Yamaha will deliver a Y.E.S. Certificate to the registered owner upon final verification by Yamaha that the outboard registered has met all terms, conditions and procedures. **Please allow 6-8 weeks for delivery of certificate to the registered owner. Florida customers will not receive a Y.E.S. contract in the mail.** Please contact the Y.E.S. Department with any questions regarding the delivery of Y.E.S. certificates, 1-800-559-0325, ext. 2, opt. 3. Once the promotion benefit has been issued, the dealer portion for the Promotion Y.E.S. Benefit cost as defined on the appropriate Promotion Benefit Chart listed on page 5 will be reduced from the dealership co-op accrual account for any outboard approved for this promotion. If dealer does not have sufficient co-op accrual funds available, the dealership cost portion of the Y.E.S. Benefit will be charged to the dealership’s parts account.
- Do **NOT** order a Yamaha Extended Service (Y.E.S.) contract on YMBS for any outboard you warranty register that is eligible for this Promotion if you have selected the Y.E.S. Benefit as the retail consumer benefit choice. The Promotion Y.E.S. contract will be processed directly by Yamaha upon validation that the sale has met all Promotion terms, conditions and procedures. Any Y.E.S. contracts ordered by the dealer will be billed directly to the dealer’s parts account at published dealer cost.
- A status report of outboards submitted for promotion consideration will be posted online via YMBS in the Sales tab > Retail Promotions sub-tab. The status report provides information regarding the sale, specifically whether or not the serial number has been validated and the consumer benefit has been processed. This status report will be updated on a daily basis and will be accessible 24/7 during the promotion dates.

Additional terms, conditions and procedures apply. For a complete definition of the terms, conditions and procedures of this Promotion, please refer to the Yamaha Outboards “Spring Savings” Sales Event Promotion Instruction Manual and Dealer Participation Agreement.

Additional Recommendations

Review all information for accuracy

- To avoid problems and delays, please carefully review all information submitted for this promotion to be sure it is complete and accurate.
- If an outboard is incorrectly registered to the wrong owner and/or a promotion benefit is either issued or registered in error and a correction must take place, the dealer will be charged a \$100 administrative fee per outboard to your dealership’s parts account. In addition, the total amount of any promotion benefits previously issued toward an outboard in question may be charged back to the dealer’s parts account if it is determined that the sale of the outboard in question did not comply with all Promotion terms, conditions and procedures.
- Any costs, expenses or fees incurred by Yamaha will be charged to the dealer’s parts account if Yamaha has to settle a dispute with a consumer who was not eligible for this promotion because the dealer failed to comply with the promotion terms, conditions and procedures as defined in the Yamaha Outboards “Spring Savings” Sales Event Promotion Instruction Manual and Participation Agreement.
- For a complete definition of the terms, conditions and procedures of this promotion, please refer to the Yamaha Outboards “Spring Savings” Sales Event Promotion Instruction Manual and Participation Agreement.

Register all units properly (failure to do so may also result in loss of Promotion benefits and/or fraud investigation)

- Do not submit any outboard for promotion consideration sold and warranty registered to either a dealership or dealership employee, unless the dealership or dealership employee sale is submitted to Yamaha by the dealer for Yamaha’s prior written approval.
- Do not order or request a Y.E.S. contract for any outboard submitted for promotion consideration. Yamaha will issue the promotional Y.E.S. contract for any eligible outboard submitted for promotion consideration once eligibility has been verified, and all terms, conditions, and procedures have been met.
- Dealers must not warranty register any outboard until a true sale has been recorded and an outboard formally delivered to the retail buyer. Any outboard warranty registered by a dealer before a sale and delivery has been properly completed, as a way to qualify an outboard for this promotion, will be grounds for fraud investigation.
- Any outboard warranty registered by a participating dealer to a fictitious name, or for a sale that did not truly transpire, will be grounds for fraud investigation.
- Fraudulent claims will be prosecuted to the fullest extent of the law.
- Yamaha reserves the right to audit dealer’s records, including but not limited to, requesting a copy of the Bill of Sale, a properly and accurately completed PDI (Pre-Delivery Inspection) form or any other documents, as applicable to this Promotion.

The Status Report

A status report of outboards submitted for promotion consideration will be posted online via **YMBS in the Sales Tab > Retail Promotions > List All Promotions > 2019 Spring Savings Sales Event**. The status tracking report provides information regarding the sale, specifically whether or not the serial number has been validated and the consumer benefit has been processed. Consumer benefits cannot be processed until the outboard is successfully registered in accordance with all promotion terms, conditions and procedures. This status report will be updated on a daily basis and will be accessible 24/7 online via YMBS during the Promotion dates. To make corrections please call the Yamaha Promotions Processing Center.
